

1. Field of study

- * Architecture * Civil Engineering
- * Electrical and Electronic Engineering
- * Mechanical Engineering
- * Chemical Science and Engineering

2. Number of Participants

Up to **30** students will be selected to participate

Kobe University Engineering Summer School

17 – 23 July 2019

-Feel the sea breeze and technologies of Kobe-

3. Eligibility

- 1) Outstanding undergraduate students, majoring in science and engineering-related fields
- 2) Students with an interest in enrolling in the master's or doctoral program at Kobe University in the future.

4. Program Fee

- 1) Students from partner universities: **Free**
- 2) Other students: 50,000 JPY

Note: Airline tickets, local transportation, travel insurance, lunch and dinner are at participant expense for all students. The accommodation will be arranged and covered by Kobe University.

5. Application Deadline: March 15, 2019 (Japan time)

Application Deadline
15 March

Selection result
2 April

Preparation for arrival
April -June

Arrival
16 July

Please visit our website and submit the required application documents.

Program 2019

	July 16(Tue)	July 17(Wed)	July 18(Thu)	July 19(Fri)	July 20(Sat)	July 21(Sun)	July 22(Mon)	July 23(Tue)	July 24(Wed)
Morning	Arrival Hotel Check in	Opening Ceremony Orientation	Civil Engineering Lecture: "Introduction to Civil Engineering"	Mechanical Engineering Lecture: "Introduction to Mechanical Engineering"	Field work in KANSAI	Field work in KANSAI	Study Excursion Akashi-Kaikyo Bridge Lectures * Maintenance of concrete bridges * State of the art in long span bridges * Nondestructive testing technologies * Anticorrosion technologies	Chemical Science and Engineering Lecture "Introduction to Chemical Science and Engineering"	Departure Hotel Check out
Break		Architecture Lecture: "Information monitoring on building structures"	Civil Engineering Lab tour	Mechanical Engineering Lab tour				Chemical Science and Engineering Lab Tour	
Afternoon	Break	Break	Break	Mechanical Engineering Factory tour *Kawasaki Heavy Industries, Ltd (TBC)	Break	Tower Top Tour Visit Akashi Kaikyo Bridge Exhibition Center	Chemical Science and Engineering Factory tour KNC Laboratories Co., Ltd.		
Evening	Architecture Lab tour	Electrical and Electronic Engineering Lecture: "Introduction to Wearable Computing"	Electrical and Electronic Engineering Lab tour				Closing Ceremony & Farewell		
		Welcome event with KU students							

Kobe University's official mascot character, Shindai Uribo!
Shindai Uribo (or "Uribo" for short) became Kobe University's official mascot character in September 2017. Its name comes from a shortened version of Kobe University (神大 pronounced "Shindai") and "uribo", the Japanese word for wild boar piglet.
