  - Doctor degree programmes (Ph. D.) - 4 years in engineering, architecture, social sciences and arts.
- \*Preparatory programme are scheduled for spring semester if required.

## Degree programmes

### Study programmes for Bachelor's degree:

- Architecture\*
- Automotive Engineering
- Bioengineering
- Building Energy
- Business Management
- Civil Engineering
- Creative Industries
- Economics Engineering
- Environmental Protection Engineering
- Financial Engineering
- Information and Communication Technologies
- Information Systems Engineering
- Information Technologies
- Landscape Architecture\*\*
- Mechanical Engineering
- Mechatronics and Robotics

\*Integrated studies programme for 5 years leading to Master's degree

\*\*Integrated studies programme for 3 years leading to Master's degree

## Study programmes for Master's degree

- Aeronautical Engineering
- Automotive Engineering
- Biomedical Engineering
- Building Energy Engineering
- Business Management (90 credits)
- Computer Engineering
- Economics Engineering (90 - credits)
- Electrical Energetics Systems Engineering
- Electronics Engineering
- Environmental Protection Technology and Management
- Financial Engineering (FinTech - 90 credits)
- Industrial Engineering and Innovation Management
- Information and Information Technologies Security
- Innovative Road and Bridge Engineering (Joint degree with Riga Technical University - 90 credits)
- Innovative Solutions in Geomatics (Joint degree with Riga Technical University - 90 credits)
- Mechanical Engineering
- Mechatronics Systems
- Nanobiotechnology
- Structural Engineering
- Transport Logistics (90 credits)

The University provides Ph.D. programmes in the fields of technological, physical, social sciences and arts.

Programmes are based on individual work combined with research work and teaching.

NOTE: Legalized, notarized and certified English translations are required for all documents.

## Tuition & Other Fees

Tuition fees for one year are set as follows:

### Bachelor's degree programmes

Business Management, Economics Engineering, Financial Engineering and Creatives Industries 2700 EUR  
All of the other Bachelor's degree programmes 3500 EUR

### Master's degree programmes

Business Management, Financial Engineering (FinTech), Economics Engineering, Transport Logistics 3900 EUR  
Innovative Road and Bridge Engineering (Joint degree with Riga Technical University) 4000 EUR  
Innovative Solutions in Geomatics (Joint degree with Riga Technical University) 4000 EUR  
All other Master's degree programmes 4400 EUR  
Preparatory programme 1500 EUR  
Ph.D. programme 10646 EUR  
Application fee 100 EUR (not refundable)  
Registration fee 200 EUR  
Hostel deposit 300 EUR (refundable)

## Scholarships

Few scholarships are available for the first year Bachelor's and Master's degree students and for enrolled students for academic achievement. For information about Lithuanian state scholarships visit the website [stipendijos.lt/en](https://stipendijos.lt/en).

## Accommodation

Students can choose either to live in the University hostel or to rent an apartment in the city. The University reserves a place for foreign students at the student's hostel in double room. A monthly rent payment ranges from 110 to 150 EUR and depends on the room type. Students have to pay a 300 EUR deposit, that will be refunded if no damage would be caused to the property.
