

## **PREPARATION OF MANUSCRIPT**

Detailed information on how to prepare manuscript is presented in Lithuanian. This information is mainly important for Lithuanian authors considering to submit their book for publishing.

If you are interested in this information, please write an email to [leidykla@vilniustech.lt](mailto:leidykla@vilniustech.lt) and we will be glad to answer all queries related to preparation of the manuscript.

Guidelines on how to prepare the manuscript of the article for the specific journals can be found in the individual [journal homepages](#) "Guidelines for authors".
