VILNIUS TECH offers three-level studies in ENGLISH

- Bachelor's degree programmes (B. Sc.) - 4 years in engineering, social sciences and arts;
- Master's degree programmes (M. Sc.) - 1.5 - 2 years in engineering, social sciences and arts;
- Doctor degree programmes (Ph. D.) - 4 years in engineering, architecture, social sciences and arts.

Degree programmes

Study programmes for Bachelor's degree:

- Applied Artificial Intelligence
- Architecture*
- Automotive Engineering
- Bioengineering
- Biomechanics
- Building Energy
- Business Management
- Civil Engineering
- Creative Industries
- Computer Engineering
- Economics Engineering
- Environmental Protection Engineering
- Financial Engineering
- Information and Communication Technologies
- Information Systems Engineering
- Information Technologies
- Landscape Architecture (3 years)
- Mechanical Engineering
- Mechatronics and Robotics
- Multimedia Design

*Integrated studies programme for 5 years leading to Master's degree

Study programmes for Master's degree

- Aeronautical Engineering
- Automotive Engineering
- Biomedical Engineering
- Building Energy Engineering
- Business Leadership (90 credits)
- Business Management (90 credits)
- Computer Engineering
- Economics Engineering (90 credits)
- Electrical Energetics Systems Engineering
- Electronics Engineering
- Environmental Protection Technology and Management
- Financial Engineering (FinTech) (90 credits)
- Industrial Engineering and Innovation Management
- Information and Information Technologies Security
- Innovative Road and Bridge Engineering (joint degree with Riga Technical University) (90 credits)
- Innovative Solutions in Geomatics (joint degree with Riga Technical University) (90 credits)
- Business Administration (MBA) (60 credits)
- Mechanical Engineering
- Mechatronics Systems
- Nanobiotechnology
- Structural Engineering
- Transport Logistics (90 credits)
- Information Systems Software Engineering

The University provides Ph.D. programmes in the fields of technological, physical, social sciences and arts.

Programmes are based on individual work combined with research work and teaching.

Schedule of academic year

The academic year is divided into two semesters: Autumn and Spring. The 16-week semesters are followed by a 4-week examination period. The Autumn and Spring semesters start at the beginning of September and February respectively. Summer practice is obligatory

Admission requirements and application

Applications must be submitted to the application system online apply.vilniustech.lt by 15th of July.

Applicants must submit

- Completed Application Form with personal information
- Certificate of Education*(Secondary/Undergraduate degree, etc.) including grades
- English language proficiency certificate
- A copy of Passport
- Application fee (100 €)

*Secondary school graduation certificate for B.Sc. programmes; Bachelor's degree for M.Sc. programmes; Master's degree for Ph.D. programmes.

NOTE: Legalized, notarized and certified English translations are required for all documents.

Tuition & Other Fees

Tuition fees for one year are set as follows:

Bachelor's degree programmes

Business Management; Economics Engineering; Finance Engineering; Creative Industries	2970 EUR
All other Bachelor's degree programmes in Engineering/IT/Technologies	3870 EUR
Architecture and Landscape Architecture	5065 EUR

Master's degree programmes

Business Management; Economics Engineering; Finance Engineering; Transport Logistics; Business Leadership, MBA	4295 EUR
Innovative Road and Bridge Engineering (Joint degree with Riga Technical University)	4000 EUR
Innovative Solutions in Geomatics (Joint degree with Riga Technical University)	4000 EUR
5th in the Architecture study programme	6495 EUR
All of the other Master's degree programmes	5157 EUR
Ph.D. programme	10646 EUR
Application fee	100 EUR (not refundable)
Registration fee	200 EUR
Hostel deposit	300 EUR (refundable)

Scholarships

Few scholarships are available for the first year Bachelor's and Master's degree students and for enrolled students for academic achievement. For information about Lithuanian state scholarships visit the website stipendijos.lt/en.

Accommodation

Students can choose to live in the University dormitory, private hostel or to rent apartment in the city. The University reserves a place for foreign students at the student's hostel in double or triple room. A monthly rent payment ranges from 140 to 240 EUR and depends on the room type. Students have to pay a 300 EUR deposit, that will be refunded if no damage would be caused to the property.

For the creators of tomorrow.
