

## ESAIP : New SUMMER CAMP - Think like a hacker, be a cybersecurity Superhero!

Greetings from France!

Our **Computer Engineering Department** is presenting the new **SUMMER CAMP** for 2023! The theme is as follows:

**Think like a hacker, be a cybersecurity Superhero!**

**SAVE THE DATE** → From July 10<sup>th</sup> to July 21<sup>st</sup>, 2023 in Angers, FRANCE.

The Summer Camp will last for two weeks during which you will be offered intense courses, distributed four days a week. These training courses will be presented by **experts working in various sectors related to cyber security**. On days when classes do not occur, you will be given the opportunity to visit the city of Angers which is an historical heart in France and discover typical French “art de vivre” (lifestyle) in a human-scale city.

The aim of this Summer Camp is to increase your knowledge on Networks and their vulnerabilities. You'll know everything needed about planification, preparation and execution of a penetration test. In the end you will be able to use **the best tools to analyze a network and identify its main weaknesses**. And **know the penetration technics and how to test the vulnerability of a systems**.

**Special Offer : CEH certification is included in the program. This certification value is more than 1300€, it's an opportunity to take !**

**As a partner, Staff and student from your organization will get a 10% discount on the total price.**

The deadline for registration to **participate in the event** is **15<sup>th</sup> of May 2023**.
