

# **WE'RE HIRING!**

## **JOIN OUR DYNAMIC TEAM AS A CONSTRUCTION MATERIALS TECHNICAL SALES ADVISER!**

**Vilnius, Lithuania, job type: full time**

Are you a recent graduate from a technical university, eager to kick-start your career in the construction industry? Do you have a passion for learning and a drive to excel in a collaborative environment? If so, we want you to join our team!

### **WHAT YOU'LL DO:**

- **Engage and Learn:** Work alongside experienced contractors and construction site teams to gain valuable insights into the use and application of our innovative products.
- **Hands-On Experience:** Participate in on-site product demonstrations and training sessions, receiving guidance from seasoned professionals to ensure proper installation and effective use of products.
- **Collaborative Growth:** Collaborate closely with our Country Object Business Sales Manager to learn about project statuses and strategies to maximize sales impact.
- **Sales Support:** Support our B2B sales team by providing fresh perspectives and learning about the technical parameters of our products.
- **Training Opportunities:** Assist in organizing and executing training programs for sales personnel in major DIY stores, enhancing your knowledge of our product offerings.

### **WHAT MAKES YOU A GOOD FIT:**

- **Recent Graduate:** You have a degree in construction, engineering, or a related field.
- **Eager to Learn:** You are motivated and enthusiastic about entering the construction materials industry, even if you have no prior experience.
- **Strong Communication Skills:** You possess good communication and presentation skills, with a willingness to engage with colleagues and clients.
- **Team Player:** You can work independently and as part of a team, demonstrating a collaborative spirit.
- **Language Skills:** Proficiency in Lithuanian and English.

### **WHY JOIN US?**

At Henkel, we value diversity and believe that the uniqueness of all our employees is our strength. We offer a supportive environment where you can grow, learn, and contribute your ideas. Join us in promoting our range of construction products, including tiling systems, facade renovation, ETICS products, leveling compounds, and waterproofing solutions.
