

VILNIUS GEDIMINAS TECHNICAL UNIVERSITY

RECTOR'S ORDER REGARDING ORGANIZATION AND EXECUTION OF THE STUDY PROCESS OF 2025-2026 ACADEMIC YEAR

July 4, 2025 No. 10.8-679
Vilnius

I e s t a b l i s h that:

1. For students of the first cycle of full-time studies and integrated studies, all classes are organised in person on the university premises.
2. For students of postgraduate full-time studies and all types of part-time studies, up to 50% of the volume of studies can be organised remotely; final assessments are to be held in person.
3. Full-time studies of all cycles conducted in English for first-year international students may be carried out in a hybrid way until November 1, if students are unable to enter for justifiable reasons (such as not having obtained a temporary residence permit in Lithuania).
4. For second-cycle full-time international students, studies and final assessments are conducted in person only.
5. Theoretical lectures are compulsory for full-time first, second and third-year students. Attendance at more than half of the lectures is required per semester. Lecture attendance is indicated on the course/module card and recorded in the Moodle virtual learning environment.
6. Starting from September 1, 2025, lecturers at the Lithuanian Maritime Academy must use the Moodle virtual learning environment for their courses.
7. College studies at the Lithuanian Maritime Academy may be carried out in a hybrid way if the study subject(s) are taught by lecturers from other VILNIUS TECH faculties located in Vilnius.
