

NATO Internship Programme 2026 - social media toolkit for stakeholders

Dear network,

NATO's Internship Programme is currently open for applications **until 30 April 2026**. We kindly ask for your support in spreading the word about this exciting opportunity for students and recent graduates on social media.

Please find below a selection of draft posts that you may use on your social media accounts.

You are welcome to adapt the texts and/or translate into other languages as needed. However, we kindly ask that you **use the following link in all your social media posts** <https://bit.ly/4ccxrtt> (it's a tracking URL)

NATO HR's Talent Outreach Team monitors the results of digital communication activities. Tracking the number of clicks on social media posts is crucial for assessing campaign performance. By using tracking URLs, we can measure clicks and report on the success of these campaigns.

Many thanks in advance for your support!

Kind regards,

The NATO HR Talent Outreach Team
